

# Dynamic & compliant eLearning courses tailored to **YOUR** local government

Partnering with LGPro, Global Vision delivers dynamic and relevant eLearning courses that keep your council workers compliant with local laws and ensure that they're able to easily meet your community's diverse needs.

## With Global Vision's Compliance Suite, you get:

- ✓ **Dynamic content tailored to your local laws** that meets all legislation-driven training obligations for your council
- ✓ **Free updates to courses when legislation changes** – all done by the Global Vision team
- ✓ **An affordable fee structure** that's accessible to councils of ALL sizes
- ✓ **SCORM 1.2 and xAPI compliant courses**
- ✓ **Low cost (and in some cases, no cost) LMS** access for those that need it

## The **Compliance Suite** includes 5 courses:

- ✓ Information Privacy
- ✓ Occupational Health and Safety
- ✓ Bullying and Harassment
- ✓ Fraud and Corruption Awareness
- ✓ Equal Opportunity Employment

# Say yes to:

- ✔ **Council workers remaining compliant at all times**  
Course content is dynamic to your council
- ✔ **Automatic course updates when legislation changes**  
Set it and forget it
- ✔ **No maintenance fees**  
Minor changes and updates are made free of charge
- ✔ **Quick & easy onboarding**  
Our courses are compliant with SCORM 1.2 and can easily be loaded onto your existing LMS
- ✔ **Superior customer support**  
The Global Vision support team is based in Australia and works local business hours

For us to put our name to it, it had to be something we and our members could **take pride** in. There had to be **reliable automatic integration to their HR systems, courses that were relevant** to them and an eagerness by the supplier to build an **open and genuine partnership**. That's why LGPro partnered with Global Vision Media.
